A quarterly report for a vehicle's maintenance is required to comply with FMCSA regulations (Part 396). This mandatory report **and** copies of any parts or repair invoices/receipts must be submitted to V3 Transportation based on the scheduled dates listed above. Any false reports or failure to submit report(s) could result in a vehicle being made unavailable for loads until the report and receipt copies are received by V3 Transportation.

LUBRICATION Please note the date and mileage for each maintenance work done during the quarter. Put an "X" in the box below any category that was checked during that maintenance.

Date	Mileage	Battery	Bearings	Differential	Filter	Lube	Oil	Transmission
